

## POST-APPLICATION PERIOD REQUEST FOR RECONSIDERATION

Under section 60851 of title 2 of the California Code of Regulations, if the Bureau of State Audits or the Applicant Review Panel decides to exclude or remove an applicant from the pool of applicants being considered for selection to the Citizens Redistricting Commission, the applicant may request reconsideration of the decision if the decision was the result of an error relating to:

- Having a conflict of interest;
- Failing to satisfy the eligibility requirements for serving on the commission; or
- Failing to comply with the procedural requirements of the application process.

To request reconsideration of the decision to exclude or remove you from the applicant pool because the decision was based on an error, as described above, please provide the following information and submit it to the Bureau of State Audits by e-mail, facsimile, or delivery to the address stated at the bottom of this form. This form must be received by the bureau no later than 10 days after the date of the notification that you were excluded or removed from the applicant pool.

Name: Cassandra Davis

Date of the notice of exclusion or removal: 4/29/2010

Description of the error that caused the exclusion or removal:

Application was not received by or submitted to the system by the deadline.

Description of the correct facts establishing that you should not have been excluded or removed:

Repeated attempts were made to submit the application to the system prior to 5pm on April 19. All attempts resulted in "Page Not Found" submission errors. I was unable to get through on the support line for guidance, so I took some screen shots and then copied and pasted the text from the form to preserve it.

Description of any evidence or other information that supports the facts as you now state them:

I was able to take screen shots of the error, and forwarded them along with the copied application text to votersfirstact@auditor.ca.gov on 4/19. I have included that evidence while submitting this form.

If this request is being submitted more than 10 days after you were sent notice that were excluded or removed from the applicant pool, an explanation for why this request is being submitted late: N/A

I affirm, by signing or typing my name below, that the statements contained in this Request For Reconsideration are true and correct to the best of my knowledge.
